

SERVING THE HUNGRY

Since 1978, CROS Ministries has brought people of different faiths, civic groups, and members of our community to work together effectively towards the common goal of alleviating hunger. Hunger affects children, single mothers, seniors, individuals, people with disabilities, the homeless, and families with low incomes. More than 200,000 people in Palm Beach and Martin Counties do not know where their next meal will come from.

Our hunger programs are designed to provide food to people living in at-risk communities so they can use their limited resources on other basic needs, such as medicine and housing.
